

***Peewee Practice Roster Assignments
for Phase 3***

Phase 3 will consist of a minimum of two exhibition games to a maximum of four, with a minimum of one practice time and a maximum of two over the period of September 4 - 12. Peewee A1 and A2 will be led by their assigned coaches (Adam Shell and Brian Busenius respectively) while A3 and A4 will have volunteer parents overseeing the execution of the team operations but will not be part of the final evaluation process. Final decisions for the peewee teams for the season will be made on Wednesday, September 12 and will be communicated either directly by the coach or by the association on September 13. The expectation is that the Peewee A1 team will release three skaters and one goalie from their roster who will most likely end up playing with the A2 team, who in turn will release three players and one goalie and so on until the A4 team will release to the recreational division.

Please note there is a draft schedule on the Participant Information page but someone from your team will also be in contact with you shortly.
