Team Roster #
16-20*

* We are in need of one more HC to allow for rosters of 16

How will the season be structured?

- 1) Skill Groups: Players will be assigned to one of four U9 skill groups. Many will be with the same players they were with in U8, however there may be some new friends to make as well. Players must attend the skill group session they are assigned to.
- 2) Teams: "Balanced" teams will be formed in late September with players from all skill groups on all teams. Half-ice balancing games will start in early November against other TBird teams. During games, two half-ice scrimmages will take place where players on both teams are split so they are playing against similar skill players. Games are played against other associations after December 1 either at home or teams can arrange away games. Most teams will play between 8-12 league games plus 1-2 tournaments.
- 3) Goalies: all players will play a minimum of one game with those who want to play more getting the chance to do so. Opt-in goalie training will occur bi-weekly on Tuesdays @ 4:30 at UBC (Sept 14-Dec)

2021-22 Season

Skill Development Focus

Edge work, stride, starts, crossovers, small area games, skating with puck, transition to full ice.

Coach Responsibility

Developing hockey skills is something we look for in all our coaches, but it is not what we value the most. We want every coach to focus on ensuring ALL players are in a safe environment where they ALL can learn to love hockey. It is expected ALL coaches will be part of ensuring every player is included.

Parent Involvement

There will be lots of opportunities for parents to be more than chauffeurs to and from the rink. Coach, be the team manager, help with the tourney, work the clock, take pics for the TBirds website, but most importantly, be a supportive parent and remember we want our players to love coming to the rink.

Schedule Overview

Assessments: Sept 10/12 & Sept 15/17
All players will be on the ice for our Hockey Advisor to assign them into their initial skill groups. The goal is to have players of similar skill level be assigned to each group, and players may be further grouped within each group. This model allows each player to be challenged and continue developing their skills in each session. Movement between groups may occur mid-season by the Hockey Advisor to ensure all players continue to develop in an appropriate grouping.

Regular ice times:
Start of season: all players will participate in two skill group sessions each week. Once teams are formed, ice times on Saturdays will remain as skill groups, Sunday times will move to teams as game slots, and a weekday time will rotate between skill groups and team practices.

Schedules are expected to be:
#1: Saturdays from 7:00-8:00 am (UBC and Kerrisdale) OR 1:15-2:15 pm (Kerrisdale) OR 3:00-4:00 pm (UBC)
#2: Sundays from 8:15-9:15 am OR 9:30-10:30 am (Sunset) OR 8:30-9:30 am (Hillcrest)
#3: Tuesdays from 5:30-6:30 pm OR Thursdays from 7:00-8:00 pm (Hillcrest) OR Fridays from 5:15-6:15 pm (Kits) OR Fridays from 4:00-5:15 pm (UBC)

On-ice Coaches:
Vancouver Hockey School will provide on-ice leadership ~every third skill group session. For skill group #4, a skill lead will attend all skill group sessions early in the season. They will provide mentorship to the parent coaches who will gain skills and confidence to begin leading some sessions from November onward. Team coaches will lead all team practices with support from the Coach Development lead, U7-U9 Teams.
